A QR Code on each product pack, directs the user to LIVE, online and up to date compatibility information for each brand.

Characteristics

1 Charge TWO batteries in just 2.5 hours

Connect to the mains power source & the batteries will charge first. Once the batteries are fully charged, the power bank will then start to charge.

2 Internal power bank

Also charges smartphones, tablets etc.

3 Recharging made easy

- Via mini USB
- Via micro USB
- From the mains
- 12V Car Plug
- Computer or any other USB output

4 Power bank has enough power to FULLY charge either:

- 3 1/2 AHDBT-401 batteries
- 2 x iPhone 6
- 2 AHDBT-401 batteries PLUS a mobile phone
